GENERAL INFORMATION

A symposium designed for team physicians, coaches, and trainers. Emphasis will be upon problems common to all members of the sports medicine team.

In addition to illustrated lectures, panels, and discussion periods, there will be practice and demonstration sessions on taping and protective splinting, equipment, and rehabilitation of the injured athlete. Participants are encouraged to bring problem cases and situations for the faculty to discuss in the question and answer sessions.

This year's symposium will concentrate on injuries of the lower extremity, with future programs directed toward in-depth discussion of upper extremity, spine, head and other injuries.

The course will be held at the Joe C. Thompson Conference Center in Austin on March 24-25, 1973.

Hotel accommodations will be available at the Villa Capri Motor Hotel which is a short walking distance from the Conference Center. Reservations must be made by the participant himself directly with the Villa Capri by March 15, 1973.

Pre-registration blanks are provided and should be sent directly to the Office of Clinical Affairs, The University of Texas Medical School at San Antonio. Registration will also be open at the Thompson Conference Center on Saturday, March 24, from 7:30 to 8:30 a.m.

Registration fee is \$50.00 for physicians, \$25.00 for coaches and trainers. This includes luncheon and evening cocktails on Saturday. The full tuition is payable at the time of registration.

Acceptable for twelve prescribed hours by the American Academy of Family Physicians.
